

10.30-16.00

POSTER (I)

Moderatori | *Chairmen:*

St.I.Dragulescu, R.Musetescu, D.Bedeleanu

POSTER FORUM I

1. Evaluarea disfuncției endoteliale la pacienții cu insuficiența cardiacă – studiu pe 50 cazuri.
Endothelial dysfunction evaluation in patients with heart failure – study on 50 cases.
H.Rus, M.Radoi, A.Bisoc, M.Nan, C.Ciurea, A.Burducea – Brasov²⁶
2. Reactivitatea cardiacă inotropă în impact cu doxorubicina
Inotropic cardiac reactivity to doxorubicine.
V.Cobet, E.Anton, M.Todiras, N.Ciobanu, I.Moraru, M.Popovici – Chisinau²⁷
3. Cauze de morbiditate în primele 6 luni după angioplastia coronariană – studiu comparativ 2000/2005.
Causes of morbidity in the first 6 months after PCI – comparative study 2000/2005
R.Tecuceanu, A.Selaru, D.Deleanu, L.Zarma, A.Bucsa, M.Postu, M.Croitoru, P.Platon, M.Albu, C.Ginghina – București²⁸
4. Scintigrafia miocardică de perfuzie gated spect cu Myoview 99mTc – corelație între disfuncția ventriculară postefort și teritoriile ischemice
Gated Myoview 99mTc - relationship between post stress left ventricular dysfunction and regions vs. ischemia
Claudia Medrea, Cristina Suci, H. Rosianu, R. Capalneanu - Cluj-Napoca²⁹

5. Semnificatia circulatiei colaterale coronariene asupra prognosticului pacientilor cu STEMI revascularizati prin angioplastie coronariana primara.
Influence of collateral circulation on outcomes of patients treated with primary coronary intervention for acute myocardial infarction
I.Modavu, D.Deleanu, L.Zarma, M.Croitoru, A.Bucsa, M.Postu, P.Platon, R.Chreih, O.Chioncel, C.Ginghina – Bucuresti³⁰

POSTER I

6. Terapia trombolitica la pacientii cu infarct miocardic acut cu supradenivelare de segment ST si resuscitare cardiorespiratorie prelungita
Trombolytic therapy in patients with ST-elevation myocardial infarction and prolonged cardiorespiratory resuscitation
C.Filip, R.Jumatate, L.Roman, A.Diaconeasa, A.Sandu, G.Tatu Chitoiu – Bucuresti³¹
7. Supradenivelarea de segment ST si varful de CK-MB in stratificarea riscului la pacientii trombolizati pentru infarct miocardic acut.
ST segment elevation and CK-MB peak in risk stratification of thrombolysed patients for acute myocardial infarction
G.Tatu Chitoiu, G.Teodorescu, P.Capraru, M.Dan, M.Guran, A.Diaconeasa, N.Caea, M.Dorobantu – Bucuresti³²
8. Aneurism sacular gigant al ventriculului stang postinfarct – prezentare de caz
Postinfarction giant aneurism of left ventricle – case presentation
R.Radu, C.Statescu, ¹E.Nechita, I.Nedelciuc, C.Arsenescu Georgescu, G.Tinica – Iasi, ¹Galati³³
9. Ruptura de perete liber de ventricul stang in infarctul miocardic acut la pacientii cu diabet zaharat
Prognostic significance of diabetes mellitus for left ventricular free wall rupture in acute myocardial
Catalina Calin, Dana Mincu, Valentin Chioncel, Florentina Pater, Crina Sinescu – Bucuresti³⁴

10. IMA la tinerii sub 45 de ani: exista diferente in functie de sex?
Young people aged under 45 with acute myocardial infarction: are there any sex differences?
Gabriela Bicescu, A.Margulescu,
A.Homoceanu, D.Baghilovici, C.Statescu, C.Udroiu,
N.Florescu, M.Cinteza, L.Gherasim, D. Vinereanu –
Bucuresti³⁵
11. Anevrismul de ventricul sting in infarctul miocardic acut – studiu pe 23 de cazuri
Left ventricular aneurysm in acute myocardial infarction-study on 23 cases
Irina Costache, M.D.Datcu, D.Iliescu, A.Coзма
– Iasi³⁶
12. Riscul rupturii de cord in infarctul miocardic acut (IMA) trombolizat
Risk of cardiac rupture within thrombolysed acute myocardial infarction (AMI)
Petcu Petrus Dorel – Craiova³⁷
13. Diferenta intre barbati si femei cu infarct miocardic acut
Differences between men and women with AMI
D.Rosu, A.Neag, M.Ciugulea, A.Stef –
Timisoara³⁸
14. Este infarctul miocardic acut un fenomen coronarian localizat sau unul global?
Is acute myocardial infarction a localized or rather a global coronary phenomenon?
D.Deleanu, R.Chreih, I.Modavu, L.Zarma,
A.Bucsa, P.Platon, M.Croitoru, M.Postu, O.Chioncel,
C.Ginghina – Bucuresti³⁹
15. IMA si sindromul depresiv la pacientii argeseni
AMI and depressive syndrome in our patients
A.G.Tase, A.Rozorea, M.Puscasu,
S.Marinescu, O.Tetiu – Pitesti⁴⁰

16. Tratatamentul actual al pacientilor foarte vartrnici (≥ 75 ani) cu infarct miocardic acut: Limite si progrese
Actual treatment of very old patients (≥ 75 year) with acute myocardial infarction: limits and progresses
M.D.Datcu, A.Petris, I.Costache, V.Aursulesei, I.Fermesanu, D.Iliescu, D.Crisu, L.Slatineanu, G.Datcu – Iasi⁴¹
17. Fibrilatia atriala paroxistica sau cronica in infarctul miocardic acut este asociata cu ceresterea mortalitatii
Acute or chronic atrial fibrillation in acute myocardial infarction is associated with increased mortality
Florentina Pater, Catalina Calin, Dana Mincu, Crina Sinescu – Bucuresti⁴²
18. Prognosticul pacientilor cu angina stabile, angina instabila si infarct miocardic acut fara supradenivelare de segment ST – studiu pe 252 patients
Prognosis in patients with stable angina, unstable angina and non-ST elevation myocardial infarction – a 252 patients study
E.Bobescu, *G.Datcu, A.Burducea, M.Nan, T.Nedeloiu - Brasov, *Iasi⁴³
19. Interleukina – 18 la pacientii cu angina instabila si stabile – un marker compozit pentru inflamatie si disfunctiei endoteliale in ateroscleroza?
Interleukin-18 in patients with unstable versus stable angina – a composite marker for inflammation and endothelial dysfunction in atherosclerosis?
R.Jurcut, I.Arsenescu, T.Puscariu, V.Uscatescu, M.Dumitru, C.Jurcut, E.Apetrei, C.Ginghina – Bucuresti⁴⁴
20. Infarcte atriale. Semnificatii posibile
Atrial infarction. Possible semnificance
R.Grigore, C.Sutescu, I.Grigore – Galati⁴⁵

21. Valoarea prognostica a indicelui glezna-brat in corelatie cu grosimea intima-medie si markerii inflamatori la pacientii coronarieni
Prognostic value of ankle brachial index in correlation with intima media thickness and inflammation in coronary patients
F.Parv, R.Avrarn, M.Balint, C.Popa, T.Ciocarlie
– Timisoara⁴⁶
22. Prognosticul de durata in sindromul coronarian acut la pacientii cu subdenivelare de segment ST
Long term prognosis in patients with ACS with ST depression
A. Grosu, Lilia David, Liliana Caldare –
Chisinau⁴⁷
23. Valoarea predictiva a factorilor de risc markerilor additionali si a eficientei terapiei actuale in reducerea riscului cardiovascular la pacientii coronarieni
Predictive value of risk factories, additional markers and efficacy of therapy in cardiovascular risk reduction in coronary artery disease patients
E.Bobescu, A.Burducea, G.Ifteni, C.Timu,
A.Dragu – Brasov⁴⁸
24. Depistarea disfunctiei ventriculare stangi asimptomatice in randul unei populatii la risc pentru aparitia insuficientei cardiace
Detection of asymptomatic left ventricular dysfunction in patients with stable angina and/or hypertension
Anca Popa, Dana Mincu, Valentin Chioncel,
Floridor Adam, Crina Sinescu – Bucuresti⁴⁹
25. Ameliorarea clasei anginoase prin controlul farmacologic al statusului anxios – depresiv
Canadian cardiovascular class decreasement by pharmacological control of depressive and anxiety status
L.Sorodoc, Catalina Lionte, Victorita Sorodoc,
O. Petris, D. Tesloianu, Marilena Spiridon – Iasi⁵⁰
26. Caracteristicile tesutului de efort la pacientii cu leziune unica semnificativa de artera circumflexa
Characteristics of the exercise test in patients with significant stenosis of circumflex coronary artery
E.Dabija, M.Malanca, L.Briota, L.Macovei,
C.A.Georgescu – Iasi⁵¹

27. Influenta inflamatiei asupra evolutiei infarctului miocardic acut reperfuzat si asupra efectului protectiv al anginei pectorale pre-infarct
Influence of inflammation on the evolution of reperfused AMI and on the protective effect of preinfarct angina
Ober Camelia, Ober Mihai - Cluj-Napoca⁵²
28. Cardiostimularea temporara in unitatea de coronarieni – 5 ani de experienta 5-year single centre experience with temporary pacemaker in the coronary care unit
Single centre experience with temporary pacemaker in the coronary care unit
Constantin Militaru, Mirela Zaharie, A. Cebanu, A. Giuca, C. Popescu, O. Istratoaie, C. Bataiosu, Dd Ionescu – Craiova⁵³
29. Angina Prinzmetal: reevaluarea caracteristicilor clinice si angiografice ale unei boli clasice
Variant angina: a clinical and angiographical revision of a classical disease
A.Mereuta, E.Apetrei, M.Rugina, N.Anghelescu, C.Ginghina – Bucuresti⁵⁴
30. Tratamentul interventional in insuficienta cardiaca acuta
The intervention treatment in acute heart failure
C.Istrate, O.Mihailescu, D.Deleanu, L.Zarma, P.Platon, M.Postu, O.Chioncel, C.Macarie – Bucuresti⁵⁵
31. Necesarul de spitalizare dupa proceduri de revascularizare coronariana – PTCA versus CABG.
Need for hospitalisation after coronary revascularisation procedures – PTCA vs CABG
A.Selaru, D.Deleanu, D.Gherghiceanu, A.Sandulescu, R.Tecuceanu, M.Albu, D.Luchian, C.Macarie – Bucuresti⁵⁶
32. Infarctul miocardic acut prin disectia descendentei anterioare dilatate aneurismal. Revascularizatie prin PTCA
Acute Myocardial Infarction after the Dissection of an Aneurysmally Dilated Left Anterior Descending Artery PTCA Revascularization
Hagau Alexandru, Medrea Claudia, Ober Camelia, Hagi Radu - Cluj Napoca⁵⁷

33. Implantarea drug-eluting stents versus bare metal stents in tratamentul infarctului miocardic acut cu supradenivelare de segment st-rezultate ale lumii reale
Drug-eluting stents placement versus bare metal stents in treatment patients with st segment elevation acute myocardial infarction - "Real Life" results
Diana Tint*, Arik Wolak, Carlos Cafri, Harel Gilutz, Ilia Reuben - Israel, *Brasov⁵⁸
34. Angioplastie precoce in infarct miocardic acut cu supradenivelare de segment ST
Early percutaneous coronary intervention (PCI) on patients with ST-Elevation Myocardial Infarction
O.Mihailescu, C.Istrate, D.Deleanu, L.Zarma, A.Bucsa, M.Postu, P.Platon, O.Chioncel, C.Macarie – Bucuresti⁵⁹
35. Eficienta stenturilor active farmacologic la pacientii coronarieni intalniti in practica obisnuita
Active stents efficiency in coronary patients from usual practice
M.Albu, D.Deleanu, M.Croitoru, P.Platon, A.Bucsa, M.Postu, L.Zarma, A.Selaru, R.Tecuceanu, C.Ginghina – Bucuresti⁶⁰
36. Interventiile coronariene percutane la pacientii cu by-pass aortocoronarian
Percutaneous coronary interventions in patients with CABG
M.Albu, A.Mereuta, D.Deleanu, P.Platon, M.Croitoru, A.Bucsa, M.Postu, L.Zarma, C.Mirea, C.Ginghina – Bucuresti⁶¹
37. Biomarkeri cu valoare prognostica pe termen scurt in angina pectorala instabila
Short term prognostic value biomarkers in unstable angina pectoris
Chiorescu R., Blaga S., Vida-Simiti L, Cristea A. – Cluj-Napoca⁶²

38. Aprecierea riscului de insuficienta cardiaca acuta asociata sindroamelor coronariene acute
Prediction of acute heart failure during acute coronary syndromes
M.Tomescu, St.I.Dragulescu, M.Andor, B.Mut-Vitcu – Timisoara⁶³
39. Aspecte particulare ale tratamentului insuficientei cardiace congestive la varstnici
Particular aspects of congestive heart failure treatment in the elderly
M.Tomescu, D.Darabantiu, R.Cristodorescu, I.Gyalai – Timisoara⁶⁴
40. Peptidul natriuretic de tip B – Predictor al disfunctiei acute de ventricul drept in trombembolismul pulmonar. Studiu pe 70 de cazuri
B-type natriuretic peptide – predictors of acute right ventricular dysfunction in pulmonary embolism – study on 70 patients
A.Pascu, M.Radoi, M.Coculescu – Brasov, Bucuresti⁶⁵
41. Prognosticul insuficientei cardiace congestive la pacientii cu diabet zaharat si functie sistolica prezervata
Prognosis of congestive heart failure at the diabetes mellitus patients with preserved systolic function
Andreea Caltea, Catalina Calin, Cristian Caltea, Crina Sinescu – Bucuresti⁶⁶
42. Studiu comparativ electro – ecocardiografic la pacientii cu insuficienta cardiaca nonvalvulara in ritm sinus
Comparative study electro-echocardiography in patients with nonvalvular heart failure in sinus rhythm
D. Iliescu, M. D. Datcu, I. Fermesanu, Cristina Parlitanu, Liliana Slatineanu, Georgeta Datcu – Iasi⁶⁷
43. Insuficienta cardiaca la pacientii obezi poate evolua cu valori normale ale BNP
Obese patients with heart failure may have lower BNP serum levels
Aurel Lazar, Liviu Lazar, Alina Iacobescu, Laura Duma – Oradea⁶⁸

44. Stratificarea riscului la pacientii cu edem pulmonar acut cardiogen
Risk stratification at patients admitted for cardiogenic acute pulmonary o edema
E.Stoica, O.Chioncel, A.Carp, R.Cioranu Stanescu, I.Kulcsar, A.Paun, M.Harsu, C.Macarie – Bucuresti⁶⁹
45. Volumul atrial stang indexat este un predictor independent al nivelului NTproBNP la pacientii cu disfunctie ventriculara stanga
Left atrial volume index is an independent predictor of NTproBNP level in patients with left ventricular disfunction
C.Mornos, A.Ionac, D.Coza, S.Pescariu, D.Dragulescu, D.Maximov, A.Dragulescu, D.Popa, A.Bokor, C.Sarau, St.I.Dragulescu – Timisoara⁷⁰
46. Corelatia obezitate – mortalitate la pacientii intrenati pentru insuficienta cardiaca congestiva
Correlation of obesity and mortality in patients admitted for heart failure
Cristian Caltea, Andreea Caltea, Valentin Chioncel, Crina Sinescu – Bucuresti⁷¹
47. Relatia dintre fibrilatia atriala paroxistica si aparitia insuficientei cardiace la pacienti cu infarct miocardic acut
Relation between paroxistic atrial fibrillation and onset of heart failure in patients with AMI
Valentin Chioncel, Dana Mincu, Catalina Calin, Raluca Ciomag, Floridor Adam, Eduard Ovrincenco, Crina Sinescu – Bucuresti⁷²
48. Un studiu tissue Doppler pentru identificarea precoce a disfunctiei diastolice asimptomatice la diabeticii normotensivi.
A tissue Doppler study for early identification of asymptomatic diastolic dysfunction in normotensive diabetes mellitus patients
S.Marinescu, A.G.Tase, A.Tutescu, G.Stanciulescu – Pitesti⁷³

49. Mortalitatea in insuficienta cardiaca in functie de etiologie
Mortality in heart failure depending by etiology
Mihaela Anastasiu, Cristian Caltea, Crina Sinescu – Bucuresti⁷⁴
50. Un studiu comparativ asupra insuficientei cardiace la femei si barbati
A comparative study between women and men with heart failure
Floridor Adam, Raluca Ciomag, Eduard Ovrincenco, Crina Sinescu – Bucuresti⁷⁵
51. Unele particularitati ale remodelarii vasculare in insuficienta cardiaca congestiva
Some particularities of vascular remodelling in congestive heart failure
M.Popovici, V.Ivanov, N.Ciobanu, S.Costin, V.Cobet, I.Popovici, L.Ciobanu – Chisinau⁷⁶
52. Rolul examenului clinic si al explorarilor paraclinice de rutina in diagnosticul diferential al dispneei (in absenta proBNP)
Role of of clinical exam and paraclinical routine explorations in differential diagnosis of dyspnoea (in the absence of proBNP)
R.Cosmeleata, F.Voinea, I.Calangea, R.Neagu, D.Isacoff, I.Bruckner – Bucuresti⁷⁷
53. Afectarea cardiaca in amiloidoza sistemica – semn tardiv si de prognostic infaust – Prezentare de caz
Cardiac involvement in systemic amiloidosis-late sign and poor prognosis-case presentation
R.Cosmeleata, F.Voinea, I.Savulescu Fielder, M.Gherghiceanu, D.Isacoff, I.Bruckner – Bucuresti⁷⁸
54. Functia ventriculului stang la pacientii hipertensivi cu fibrilatie atriala paroxistica
Left ventricle function in hypertensive patients with paroxistic atrial fibrillation
Dana Mincu, Catalina Calin, Valentin Chioncel, Crina Sinescu – Bucuresti⁷⁹

55. Semnificatia nivelului NTproBNP seric in estimarea rezultatelor ecocardiografiei Doppler Tisular
The semnification of NTproBNP level in the estimation of tissue Doppler imaging findings
C.Mornos, A.Ionac, D.Cozman, S.Pescariu, D.Dragulescu, D.Maximov, A.Dragulescu, D.Popa, A.Bokor, C.Sarau, St.I.Dragulescu – Timisoara⁸⁰
56. Cercetari privind peptidul b natriuretic post protezare valvulara aortica pentru stenoza aortica severa la pacientii varstnici. Asocierea cu factori clinici, biologici si ecocardiografici
Research on b natriuretic peptide post aortic valve replacement for severe aortic stenosis in elderly. Association with clinical,biological and echographic factors
Badea G, Apetrei E, Ursu G, Dumitrescu M, Marzan L - Bucuresti⁸¹
57. Pacientii hipertensivi fara boala coronariana au disfunctie ventriculara stanga subclinica evaluata prin ecocardiografie Doppler tisular
Hypertensive patients without coronary disease have subclinical left ventricular dysfunction assesed by tissue doppler echography
N. Niculescu, C. Gherghinescu, M. Cinteza , C.F. Madler*, A.G. Fraser*, D. Vinereanu - Bucuresti, *U.K.⁸²
58. Holter ECG – indicatiile inca in actualitate?.
Ambulatory ECG – indications still actual?
C.Matei, I.Pop, M.Rugina, E.Apetrei – Bucuresti⁸³
59. Implicarea afectiunilor tiroidiene in patologia miocardic
The involvement of the thyroidian diseases in the myocardial pathology
P.Manea, A.Mihailescu, D.Tanase, C.Badescu, S.D.Ionescu, V.Ambarus, M.Ciutea, V.Sandru, C.Vulpoi, C.Preda, C.Crsitea, E.Zbranca, A.Cosovanu – Iasi⁸⁴

60. Incidenta infectiilor nozocomiale intr-o sectie de terapie intensiva cardiaca
Nosocomial infections in cardiac intensive care unit
I.Raileanu, D.Filipescu, C.Ghita, M.Luchian,
A.Oprea, O.Ghenu, S.Marin, M.Persu, V.Nedelcu,
D.Tulbure – Bucuresti⁸⁵
61. Aneurismele de aorta si afectarea aterosclerotica
Aortic aneurysm and atherosclerotic disease
Monica Popescu, Cristina Tanaseanu, Isabela
Tamsula, Andreea Barnoiu, Alina Dumitrascu – Bucuresti⁸⁶
62. Este pattern-ul unei P pe electrocardiograma de inalta rezolutie predictiv pentru recurenta aritmiei dupa cardioversia fibrilatiei atriale?
Is there a predictive pattern of P-wave signal averaged electrocardiogram for arrhythmia recurrence after cardioversion of persistent atrial fibrillation?
C.Militaru, A.Giuca, A.Ungureanu, O.Istratoaie,
D.Toader, D.D.Ionescu – Craiova⁸⁷
