

10.30-16.00

POSTER (II)

Moderatori | *Chairmen:*

Catalina Arsenescu Georgescu, A.Iancu,
Mariana Radoi

POSTER FORUM 2

1. Urmărirea pe termen lung a pacienților cu flutter atrial tipic supuși ablației prin radiofrecvență
Long term follow-up of radiofrequency catheter ablation in patients with typical atrial flutter
C.T.Luca, S.Pescariu, D.Cozma, G.Ivanica,
L.Vasiluta, G.Carmen Luca, A.Banfalvi, C.O.Luca,
St.I.Dragulescu – Timisoara¹¹³
2. Cardistimularea permanentă în cardiologia pediatrică – experiența Institutului de Boli Cardiovasculare “Prof.Dr.C.C.Iliescu” în perioada 1995-2006.
Permanent pacing in pediatric cardiology – the experience of the Institute of Cardiovascular diseases “Prof.C.C.Iliescu”
R.Ciudin, I.Ghiorghiu, L.Mihaila, C.Savulescu,
A.Iosifescu, H.Moldovan, C.Ginghina – București¹¹⁴
3. Rolul tratamentului cu prostaglandine i.v. (Iloprost) în arteriopatia obliterantă cronică a membrilor inferioare
I.V. Iloprost in chronic peripheral arterial disease
Dan Tesloianu, Marilena Spiridon, Laurentiu Sorodoc – Iasi¹¹⁵
4. Protocol Bruce modificat vs Protocol Ramp în testarea precoce a toleranței la efort în infarctul miocardic.
Modified Bruce protocol vs Ramp protocol in precocious treadmill exercise test tolerance evaluation in patients recovering from acute myocardial
M.Dan, O.Istratescu, S.Balanescu,
R.Niculescu, G.Tatu-Chitoiu, R.Jumatate, C.Teodorescu,
C.Capraru, M.Guran, M.Dorobantu – București¹¹⁶

5. Evaluarea sistematica clinica si ecografica a afectarii cardiace la pacientii confirmati cu distrofie musculara DUCHENNE precum si a rudelor de gradul I ale acestora
Clinical and echocardiographic systematic evaluation of cardiac disease in patients confirmed with Duchenne distrophy and their first degree relatives
R.Stanescu Cioranu, O.Chioncel, E.Stoica, I.Kulcsar, A.Carp, I.Tepes, I.Ilie, M.Bengus, C.Macarie – Bucuresti¹¹⁷

POSTER 2

6. Endocardita infectioasa la varstnici – corelatii clinice, ecocardiografice si prognostice.
Infectious endocarditis in elders – clinical, ultrasonographic and prognostic correlations.
A.Popa, N.Necula, M.Florescu, C.Ginghina – Bucuresti¹¹⁸
7. Locul metodelor neinvazive in diagnosticul etiologic al pericarditelor.
The actual rode of noninvasive etiologic diagnostic methods in pericarditis
P.Manea, A.Mihailescu, D.Tanase, C.Badescu, S.D.Ionescu, V.Ambarus, E.Mitrea, C.Moldovanu, C.Rezus, R.Artenie, A.Cosovanu – Iasi¹¹⁹
8. Aspecte evolutive ale endocarditei infectioase si particularitati de exprimare in functie de substratul etiologic (studiu preliminar)
Evolutive aspects of infective endocarditis and expressing modalities according to etiology (preliminary results)
S.D.Ionescu, R.Artenie, P.Manea, C.Rezus, E.Mitrea, C.Moldovanu, V.Sandru, C.Badescu, D.Tanase, A.Mihailescu, A.Cosovanu – Iasi¹²⁰
9. Endocardita infectioasa pe material protetic (electrozi de pacemaker) – prezentare de caz
Infectious endocarditis on prosthetic material (pacemaker electrodes) – case presentation
R.A.Sascau, C.Statescu, E.Dabija, G.Tinica, C.Arsenescu Georgescu, George I.M.Georgescu – Iasi¹²¹

10. Tratament medical agresiv in reabilitarea arteriopatiilor obliterante periferice
Complex and agressiv medical treatment and rehabilitation of peripheral arterial obstructive disease
Istvan Albert, Andras Albert – Sf.Gheorghe¹²²
11. Tratamentul chirurgical al ocluziei arterei subclavii in determinările aterosclerotice multiple – prezentare de caz.
Surgical treatment of subclavian artery occlusion in multiple atherosclerotic determinations. Case presentation
N.J.Tesoiu, R.Rogoveanu, C.Botoroaga, A.Stoica, C.Boros, L.Giurgiuman, P.Platon, M.Pacescu, V.Candea – Bucuresti¹²³
12. Heparine fractionate in chirurgia insuficientei venei safene mari
Low molecular weight heparins in preventing thromboembolism in the surgery of insufficient long saphenous vein
N.J.Tesoiu, M.Pacescu, R.Rogoveanu, A.Stoica, D.Mitcov, V.Candea – Bucuresti¹²⁴
13. Rolul practic al determinarii NT-proBNP in depistarea afectarii cardiace subclinice la pacientii cu infectie HIV/SIDA
Practical place of NT-proBNP in diagnosing subclinical cardiac involvement in AIDS patients
A.Giuca, D.Bulucea, A.Petria, A.Cebanu, D.D.Ionescu – Craiova¹²⁵
14. Cord univentricular – abordare terapeutica si diagnostica
Univentricular heart – managment and treatment
Rodica Toganel, Liliana Gozar – Targu Mures¹²⁶
15. Studiul dispersiei intervalului QT la copiii tratati cu antracicline pentru hemopatii maligne
Study of QT interval dispersion in children treated with anthracyclines for malignant hemopathies
Mandric C., Dimitriua.G., Miron I., Hiastru G. – Iasi¹²⁷

16. Modificari electrocardiografice in boli extracardiace
ECG changes in noncardiac diseases
Catalina Lionte, L. Sorodoc, Victorita Sorodoc,
O.R.Petris, Gabriela Puha – Iasi¹²⁸
17. Supradenivelarea de segment ST - dificultati si erori de diagnostic – Prezentare de caz
ST segment elevation – diagnostic errors and difficulties – case report
M.Balint, R.Avram, F.Parv, T.Ciocarlie –
Timisoara¹²⁹
18. Modificari ale electrocardiogramei de repaus induse de by-passul aortocoronarian
Electrocardiographic changes after aortocoronary by-pass grafting
A.Loza, L.Lucaci, C.Arsenescu Georgescu –
Iasi¹³⁰
19. Beneficiile transplantarii renale la pacientii cu insuficienta renala cronica si insuficienta cardiaca severa
Benefice of renal transplant in patients with chronic renal failure and severe heart failure
C.Bucsa, D.Tacu, E.Khereszy, L.Domnisor,
C.Ceck, D.Daia, C.Tacu, B.Serbanescu, I.Sinescu –
Bucuresti¹³¹
20. Incidenta factorilor de risc cardiovasculari la pacientii protezati aortic pentru leziuni degenerative comparativ cu alte etiologii
Cardiovascular risk factors incidence in patients with aortic prosthese for degenerative versus other lesions
Maria Rada, Dana Velimirovici, Simona Dragan, Delia Berceanu-Vaduva, D. M. Duda-Seiman, Stela Iurciuc, Livia Barbu, A. Cocoana, Silvia Mancas –
Timisoara¹³²

21. Incidenta factorilor de risc cardiovasculari la pacientii protezati aortic pentru stenoza aortica degenerativa cu si fara boala coronariana
Cardiovascular risk factors incidence in patients with aortic valvular prostheses for degenerative aortic stenosis with and without coronary artery disease
Dana Velimirovici, Maria Rada, Delia Berceanu-Vaduva, Simona Dragan, D. M. Duda-Seiman, Laura David, Livia Barbu, A. Cocoana, Silvia Mancas – Timisoara¹³³
22. Anevrism mitral, abcese de inel mitral si aortic, rupturi valvulare – demonstrate ecocardiografic in endocardia infectioasa acuta cu actynomicetes: Prezentare de caz
Mitral aneurism, mitral and aortic annulus abcess, valvular rupture – echographic findings in in actynomicetes endocarditis case – case presentation
I.Manitiu, R.Cojan, M.Bedreaga - Sibiu¹³⁴
23. Terapia cu agonistii PPARy Tiazolidindiona in sindromul metabolic
The PPARy Tiazolodindione agonists therapy in the metabolic syndrome
G.F.Ursu, M.Bolog, E.Gavriloiu, A.Calota, C.Paun, R.I.Ursu, C.Dumitrescu, E.Apetrei – Bucuresti¹³⁵
24. Glicemia si riscul cardiovascular la un grup de medici din sibiu
Glycemia and cardiovascular risk in a group of phisycians in Sibiu
Liana Chicea – Sibiu¹³⁶
25. Tulburari ale metabolismului glucidic la non-diabeticii cu sindrom coronarian acut
Glucose metabolism changes in non-diabetic patients with ACS
Lilia David, A. Grosu, Veronica Turcanu – Chisinau¹³⁷
26. Obezitatea si factorii de risc aterosclerostic la pacienti cu boala cardio-cerebrovasculara
Obesity and atherosclerosis risk factors in patients with cardio-cerebrovascular disease
Gutiu I.A., Gutiu L., Georgescu Anamaria – Bucuresti¹³⁸

27. Parametrii lipidici si riscul cardiovascular: exista diferente ale gradului de constientizare intre barbati si femei?
Lipid parameters and cardiovascular risk: are there awareness differences in men vs women?
C.Jurcut, M.Sarpe, C.Farcas, M.Enache, V.Dutescu, C.Rusu, M.Sotcan, S.Dumitrescu, I.Copaci – Bucuresti¹³⁹
28. Prevalenta sindromului metabolic – studiu multicentric
Romanian Multicenter study for Metabolic Syndrome Prevalence (ROMES)
C.Ginghina, C.Matei, ¹M.Suceveanu, M.Rugina, R.Jurcut, I.Pop, I.Craciunescu, ²C.Bengus, ³S.Marinescu, E.Apetrei – Bucuresti, ¹Covasna, ²Focsani, ³Pitesti ¹⁴⁰
29. Efectele suplimentelor alimentare cu izoflavone asupra lipidelor serice
The effect of alimentary isoflavones supplemnts upon serum lipids
Pop Dana, Zdrenghea Dumitru, Colcear Doina, Oltean Anca – Cluj Napoca¹⁴¹
30. Care din masuratorile folosite pentru evaluarea obezitatii abdominale si a sindromului metabolic ofera cea mai buna predictie pentru prezenta cardiopatiei ischemice la pacientii cu scleroza aortica?
Which measure of abdominal obesity and metabolic syndrome best predicts the presence of coronary artery disease in patients with aortic sclerosis?
Mihaela Rugina, Ruxandra Jurcut, Aurora Salageanu, C. Jurcut, Monica Bengus, Iuliana Caras, Francisca Serbanescu, E.Apetrei - Bucuresti¹⁴²
31. Avantajele tratamentelor ce combina BioR fata de terapia cu doze standard de Pravastatina la pacientii cu dislipidemii si risc cardiovascular crescut
Advantages of treatment which associates BioR from standard dosis therapy with pravastatin in dyslipidemia patients with high cardiovascular risk
Victoria Ivanov – Chisinau¹⁴³

32. Nivelul crescut al stress-ului oxidative nu influenteaza microalbuminuria la pacientii cu diabet zaharat tip II si hipertensiune arteriala
A high level of oxidative stress does not influences the microalbuminuria in type II diabetic patients with high blood pressure
A.Artenie, R.Artenie, D.Ungureanu, E.Enisei, A.Covic, G.Ungureanu – Iasi¹⁴⁴
33. Influenta ale sindromului metabolic asupra scorului de risc cardiovascular la pacientii cu diabet zaharat tip II
The influence of metabolic syndrom on cardiovascular risk score in type II diabetic patients.
A.Artenie, R.Artenie, D.Ungureanu, A.Covic, G.Ungureanu – Iasi¹⁴⁵
34. Acidul lactic seric – marker predictiv al evolutiei diabeticilor cu infarct miocardic
Serum lactic acid – marker of evolution of diabetic patients with myocardial infarction
Sorina Magheru, Aurel Lazar, Florin Maghiar, Alina Iacobescu – Oradea¹⁴⁶
35. Fenomene proaterogene in miocitele vasculare netede si posibilitati de corectie
Proatherogen phenomena in smooth vascular myocytes and possible correction
Victoria Ivanov – Chisinau¹⁴⁷
36. Fractura electrodului de pacemaker – prezentare de caz
Fracture of the pacemaker electrode – case presentation
C.Statescu, R.A.Sascau, R.Radu, L.Stefan, C.Arsenescu Georgescu, George I.M.Georgescu – Iasi¹⁴⁸
37. Studiul modificarilor dispersiei valorilor intervalului qt la copiii cu insuficienta renala cronica si hemodializa
Study of changes in qt interval dispersion in children with chronic renal failure and haemodialysis
Dimitriu A.G., Hiastru G., Mandric C., Brumariu O. – Iasi¹⁴⁹

38. Reusita cardioversiei electrice a fibrilatiei atriale: rolul cardiopatiei organice asociate
Success of electrical cardioversion in atrial fibrillation: role of associated organic disease
A.Grosu, Larisa Sclerov – Chisinau¹⁵⁰
39. Determinarea dispersiei intervalului QT in relatie cu prezenta tulburarilor de ritm atriale si ventriculare la sportivi
QT interval dispersion in relation with the presence of the atrial and ventricular rhythm disturbances
H.Rus, M.Radoi, A.Bisoc – Brasov¹⁵¹
40. Reproducerea sincopelor prin testul de inclinare
Syncope reproduction in tilt test
Andrian Beleuta – Chisinau¹⁵²
41. Prezentare de caz: Boala de nod sinusal pe situs inversus complet
Case report: Sick sinus syndrome associated with complete situs inversus
B.Mara, S.Cristian, S.Radu, M.Grecu, A.Dabija, C.Arsenescu Georgescu – Iasi¹⁵³
42. Succesibilitatea la vulnerabilitate vs vulnerabilitatea la fibrilatia atriala pentru caracterizarea remodelarii electrice atriale.
Susceptibility to vulnerability my be better parameter than vulnerability to atrial fibrillation to characterize electrical remodeling
D.Coza, C.Mornos, L.Petrescu, S.Pescariu, L.Stoica, D.Lighezan, H.T.Luca, G.Ciorica, F.Golda, D.Popa, D.Maximov, St.I.Dragulescu – Timisoara¹⁵⁴
43. Sincopa vagala: utilitatea Tilt testului in stabilirea indicatiei de cardiostimulare electrica permanenta – caz clinic
Vagal syncope: the utility of Tilt Test in establishing the indications for implantation of cardiac pacemaker – case report
I.M.Florescu, M.Grecu, C.Statescu, C.Arsenescu Georgescu – Iasi¹⁵⁵

44. Evolutia clinica al sindromul bradi-tahicardic
Clinical evolution in bradi-tachi syndrome
Andrian Beleuta, Nadejda Diaconu –
Chisinau¹⁵⁶
45. Eficacitatea medicamentelor antiaritmice in conversia in ritm sinusal a fibrilatiei si flutterului atrial recente la bolnavii cu sindrom coronarian acut fara supradenivelare de ST
Efficacy of antiarrhythmic drugs in restoring sinus rhythm in recent onset atrial fibrillation and flutter in patients with acute coronary syndromes
A. Campeanu, T. Nanea, Adriana Iliesiu, Diana Nistorescu, V. Teodorescu, A. Deutsch, Gabriela Uscoiu –
Bucuresti¹⁵⁷
46. Prezentare de caz
Case presentation
Rodica Dan, Gabriel Ivanica, Daniela Sima,
Alina Ivanica – Timisoara¹⁵⁸
47. Reversibilitatea tahicardiomiopatiei dupa succesul ablatiei prin radiofrecventa a tahicardiei atriale ectopice la copil
Reversibility of severe tachycardiomyopathy after successful radiofrequency catheter ablation of permanent ectopic atrial tachycardia in children
Mihaela Grecu, Radu Sascau, Anca Dabija,
Catalina Arsenescu Georgescu, George I. M. Georgescu –
Iasi¹⁵⁹
48. Prezenta sau absenta fenomenului de memorie postablatie prin radiofrecventa in sindroamele Wolff-Parkinson-White
Can we detect the cardiac memory after catheter ablation in patients with WOLFF-Parkinson-White syndrome?
D. Sima, G. Ivanica, D. Popa, R. Dan,
A. Ivanica, D. Maximov, St.I. Dragulescu – Timisoara¹⁶⁰

49. Reactii adverse ale tratamentului cu Amiodarona
Adverse effects in treatment with Amiodarone
M.B.Leustean, R.F.Bolohan, V.Moldovan,
R.Alexandru, T.Nanea – Bucuresti¹⁶¹
50. Tratamentul cu Sotalol – eficienta terapeutica
Treatment with Sotalol – therapeutic efficacy
V.Moldovan, R.F.Bolohan, M.B.Leustean,
V.Greere, C.Grosu, D.Ivascu, I.Moscaliuc, G.Hila,
G.Cristian, I.Tintoiu – Bucuresti¹⁶²
51. Rezistenta la Insulina Reprezinta un Predictor Independent
al Disfunctiei Diastolice Precoce in Obezitatea
"Necomplicata"
*Insulin Resistance Is an Independent Predictor of Early Diastolic
Myocardial Dysfunction In Uncomplicated Obesity*
Maria Florescu, Carmela Morizzo,
Carlo Palombo, Dragos Vinereanu – Bucuresti¹⁶³
52. Efectul statinelor si Bio-R-ului asupra acumularii LDL-oxi in
endotelioците
Effect of statins and Bio-R on LDL-oxi amount in endotheliocytes
V.Ivanov, L.Guzun, V.Cobet, S.Costin,
M.Popovici – Chisinau¹⁶⁴
53. Fibrilatia atriala si riscul embolic – reevaluare dupa 5 ani
Atrial fibrillation and embolic risk – a reassessment after five year
R.Avrăm, F.Parv, M.Balint, L.Branzan,
V.D.Moga, C.Popa, L.Georgescu – Timisoara¹⁶⁵
54. Ablatia flutter-ului atrial comun – experienta Clinicii de
Cardiologie a Spitalului Universitar din Bucuresti
*Transcatheter Ablation for Typical Atrial Flutter – the Experience
of the Department of Cardiology, University Hospital of Bucharest*
C.Siliste, A.D.Margulescu, D.Vinereanu,
M. Cinteza – Bucuresti¹⁶⁶

55. Defibrilatorul implantabil si terapia inadecvata
ICD and inappropriate therapy
S.Micu, D.Dobreanu, I.Modrigan, S.Pascanu,
R.Toma – Tg.Mures¹⁶⁷
56. Tratament cu trimetazidina poate preveni aparitia fibrilatiei
atriale?
Treatment with trimetazidine could prevent atrial fibrillation?
R.F.Bolohan, V.Greere, M.B.Leustean,
V.Moldovan, R.Alexandru, G.Cristian, I.Tintoiu,
D.D.Ionescu* – *Craiova, Bucuresti¹⁶⁸
57. Utilizarea ablatiei de radiofrecventa irigata in tratamentul
intraoperator al fibrilatiei atriale cronice
*Salin irrigated radiofrequency ablation as surgical treatment of
chronic atrial fibrillation*
C.G.Streian, I.Socoteanu, M.Franculescu,
A.Lascu, P.Deutsch – Timisoara¹⁶⁹
58. Fibrilatia atriala paroxistica repetitiva: profilaxie dificila sau
impas?
*Recurrent paroxysmal atrial fibrillation: difficulties in prophylaxy or
failure?*
R.F.Bolohan, V.Greere, V.Moldovan,
M.B.Leustean, G.Hila, I.Moscaliuc, C.Grosu, G.Cristian,
I.Tintoiu – Bucuresti¹⁷⁰
