

Bucharest Arrhythmia Conference ²⁰¹⁷

7-8 iunie, Hotel Sheraton, București

7 Iunie

Curs

ELECTROCARDIOGRAFIE CLINICĂ

Directori de curs E. Apetrei, R. Ciudin

8 Iunie

Simpozion cu participare internațională

**NOI FRONTIERE ÎN ARITMIILE
VENTRICULARE**

"20 de ani de la implantul primului cardiodefibrilator din
România"

Director simpozion Radu Ciudin

**CURS CREDITAT CU
10 CREDITE EMC**

Program

BUCHAREST ARRHYTHMIA CONFERENCE 2017

7-8 Iunie , Hotel Sheraton, Bucharest, Romania

Programul Conferintei

7 Iunie Curs Electrocardiografie Clinica

7th June Clinical Electrocardiography Course

11:30-12:20 Inregistrare participanti/ *Registration*

12:20 -12:30 Deschiderea cursului /*Opening of the Course*

20 minute prezentarea, 5 minute intrebari si discutii

20 minutes presentation, 5 minutes Q&A and discussions

Sesiunea I/*Session I*

Moderatori /Chairmen - Carmen Ginghina, E. Apetrei

12:30-12:55 Electrocardiograma normala la copil/ *Normal ECG in pediatric population* – **Ioana Ghiorghiu**

12:55-13:20 Metode de monitorizare EKG de lunga durata/*Long term ECG monitoring* – **C.Matei**

13:20-13:45 EKG de efort – Semnificatie pentru tulburarile de ritm? *Significance of exercise test for ventricular arrhythmias* - **Cristina Ceck**

13:45-14:10 EKG in tulburarile electrolitice/*ECG aspects in electrolytes disturbances* – **Carmen Ginghina**

14:10-14:35 EKG in valvulopatii/*ECG in valvular heart diseases* – **E. Apetrei**

14:35-15:00 EKG in Blocurile de ramura/*Bundle brunch blocks electrocardiographic aspects* – **Mihaela Rugina**

15:00-15:20 Pauza de cafea/*Coffee break*

Sesiunea II /*Session II*

Moderatori/Chairmen - R. Ciudin, Ruxandra Jurcut

15:20-15:45 EKG in Cardiomiopatii/*ECG aspects in cardiomyopathies* – **E. Apetrei**

15:45-16:10 Sindromul de QT lung, Sindromul de QTscurt /*Long QT syndrome, Short QT syndrome*
– **Ruxandra Jurcut**

16:10-16:35 Bradicardii, sincopa si testul mesei inclinate- *ECG aspects in Bradycardias, syncope and tilt table test* **L. Mandes**

16:35-17:00 EKG la pacientul cardiostimulat si cu implant de cardiodefibrilator/*ECG in pacing and patients with ICD* – **S. Sipos**

17:00-17:25 Diagnosticul EKG in tahicardiile cu complex QRS larg/ *Wide QRS tachycardias ECG diagnostic*
– **R. Ciudin**

17:25-17:50 Test Final/*Final Examination*

17:50-18:00 Inchiderea cursului EKG/ *Closing Clinical ECG Course*

8 Iunie Simpozionul cu participare internationala
„Noi Frontiere in Diagnosticul si Tratamentul Aritmiilor Ventriculare - 20 de ani de la primul cardiodefibrilator implantat in Romania”

June 8th "New Frontiers in Diagnostic and treatment of Ventricular Arrhythmias Symposium - 20 years since the first ICD implant in Romania"

Limbile oficiale ale Simpozionului sunt romana si engleza
Official languages of the Symposium are romanian and english

8:00-8:50 Inregistrarea participantilor/*Registration*

8:50-9:00 Deschiderea Simpozionului /*Opening of the Symposium*

Sesiunea 1/ Session 1. Moderatori/Chairmen – Carmen Ginghina, P. Volders, I.Coman

9:00-9:20 O istorie a electrofiziologiei cardiace. 20 de ani de la primul cardiodefibrilator implantat in Romania *A history of cardiac electrophysiology.20 years since the first ICD implant in Romania*
– **R.Ciudin**

9:20-9:40 Anatomia ventriculilor pentru cardiologi clinicieni si electrofiziologi interventionali/*Anatomy of the ventricles for cardiologists and interventional electrophysiologists* - **F.Filipoiu**

9:40-10:00 Terapia farmacologica translationala pentru aritmiile ventriculare / *Translational Pharmacological Therapy for Ventricular Arrhythmias* – **P. Volders (The Netherlands)**

10:00-10:20 Etiopatogenia si epidemiologia tahiaritmiilor ventriculare/*Etiopathogeny and epidemiology of ventricular tachyarrhythmias* – **H. Rosianu**

10:20-10:30 Discutii/*Discussions*

10:30-10:50 Pauza de cafea/*Coffee break*

Sesiunea 2/ Session 2. Moderatori/Chairmen – E.Apetrei, L. Geller, S.Pescariu

10:50-11:10 Tratamentul de urgenta al tahicardiilor ventriculare in Unitatea de Primiri urgente (UPU) / *Emergency treatment of ventricular arrhythmias in ER* - **Cristina Ceck**

11:10-11:30 Tahicardiile ventriculare in populatia pediatrica/ Ventricular tachycardias in pediatric population - **Ioana Ghiorghiu**

11:30-11:50 Rolul studiului electrofiziologic – in diagnosticul si tratamentul tahiaritmiilor ventriculare/ *Electrophysiological study role for the diagnosis and treatment of ventricular tachyarrhythmias* – **S.Sipos**

11:50-12:10 Cardiodefibrilatorul implantabil – Experienta Institutului de Cardiologie Timisoara / ICD – Timisoara Institute of Cardiology experience – **S. Pescariu**

12:10-12:30 Stratificarea riscului de moarte subita in cardiomiopatia aritmogena de ventricul drept/ Sudden death risk stratification in arrhythmogenic right ventricular cardiomyopathy (ARVC) – **Ruxandra Jurcut**

12:30-12:40 Carnetul de conducere – Intre a avea si a nu avea dreptul de conducere auto pentru pacientii cu tahiaritmii ventriculare si /sau ICD / *Driving licence issue in patients with ventricular tachyarrhythmias +/- ICD* – **Oana Andrei**

12:40-12:50 Sindromul de QT lung – Prezentare de caz / *Long QT syndrome – Case presentation* - **Laura Antohi**

12:50-13:00 Discutii/*Discussion*

13:00-14:00 Masa de pranz/*Lunch* - *Avalon Restaurant, et 1*

Sesiunea 3/Session 3. Moderatori/Chairmen – D.Deleanu, V.Vassilikos, Mihaela Grecu

14:00-14:20 Tahicardia ventriculara in sindromul coronarian acut – Medicamente, cardiodefibrilator sau revascularizare?/*Ventricular tachycardia in acute coronary syndrome – drugs, ICD or revascularization?*
– **A.Kol (Italy)**

14:20-14:40 Cardiodefibrilatorul implantabil –Preventia primara vs Preventia secundara a mortii subite cardiace / *ICD – Primary prevention vs Secondary prevention of sudden cardiac death* - **S. Mîcu**

14:40-15:00 Sindromul Brugada – de la diagnostic la tratamentul interventional modern / *Brugada syndrome – from diagnosis to modern interventional treatment* – **R.Ciudin**

15:00-15:20 Tratamentul furtunii electrice ventriculare / *Treatment of electrical ventricular storm* **V. Vassilikos (Greece)**

15:20-15:30 Discutii/*Discussions*

15:30-15:50 Pauza de cafea / *Coffee Break*

Sesiunea 4/ Session 4. Moderatori / Chairmen – R.Ciudin, A.Kol, B.Popescu

15:50-16:10 Rolul modificarii substratului miocardic in ablatia tahicardiilor ventriculare / *The role of substrate modification in Ventricular tachycardia ablation* - **L.Geller (Hungary)**

16:10-16:30 Ablatia cu radiofrecventa a substratului ventricular cu ajutorul dispozitivului AEPD pentru detectia automata a potentialelor electrice anormale - **Mihaela Grecu**

16:30-16:50 Ablatia cu Radiofrecventa in Tahicardiile ventriculare cu utilizarea sistemului de ghidare magnetica Stereotaxis/RF Ablation in ventricular tachycardias with magnetic guiding system Stereotaxi - **R.Vatasescu**

16:50-17:10 Abordarea terapeutica a tahicardiomiopatiei generate de aritmiile ventriculare / *Treatment approach of tachycardiomyopathy caused by ventricular tachycardias* – **Radu Rosu**

17:10-17:25 Ablatia extrasistolelor ventriculare pe cord structural normal / *RF Ablation of PVCs on normal structure heart* – **C. Siliste**

17:25-17:30 Prezentare de caz / *case presentation* - **Berenice Suran**

17:30-17:40 Discutii/*Discussions*

17:40-18:00 Inchiderea Simpozionului / *Closing Remarks*
